Exhibition and Residency at Bay Parc

YoungArts has partnered with Bay Parc Apartments to feature works by Miami-based YoungArts Alumni in Visual Arts, Photography, and Design, connecting artists to local audiences and fostering art as an integral part of living in Miami. Twice per year, this program allows YoungArts alumni to develop and exhibit work in Parc Space, a 500-square-foot installation-based gallery at Bay Parc Apartments in Miami.

Overview requirements, expectations and particulars

Artists must submit a detailed proposal of their plans for the space including an artist statement, work samples, a preliminary budget, and timeline. Once the artist is selected, YoungArts will arrange a site-visit to the property.

The selected artist will receive a $7,000.00 USD honorarium (inclusive of artist fee, materials and installation costs) as well as access to the space for a 2-week period. During this period, the artist shall create and install an exhibition of work that will be on view at Bay Parc for a minimum of three months.

As part of this residency, the artist will also participate in at least 1-2 ancillary events. These events may include, but are not limited to, open studio hours (for YoungArts members, members of the public, and/or students), a public artist talk at the opening of the exhibition, a cocktail event for YoungArts members, a master class (with local students and/or YoungArts alumni), or an in-school educational opportunity. YoungArts will work with the artist to design the most appropriate events.

Additional Information

While YoungArts does not censor artists’ work, Bay Parc Apartments is home to many families and members of the community. We ask artists to consider this and refrain from producing defamatory or extremely explicit works.

Exhibition Opening - YoungArts will produce the exhibition opening event, including creating and coordinating all marketing materials, catering, event set up, audience outreach and signage. YoungArts may photograph and/or digitally record the performances or any public events relating to the residency.

Once the artist is selected and confirmed, a formal independent artist agreement will be sent.
