- Ensure recording captures good quality image and sound. Check for good balance and blend.
- Make sure there is 1-3 seconds of silence before the beginning of the piece.
- No sound enhancements are allowed.

# Media Submission Guidelines

- Save and name your files individually with their titles.
- Upload each selection as a separate video file.
- List the title of piece and the composer in the correct spaces provided on your application.
- Do not put your name or any identifying information in or on your media submission.
- When uploading, be sure that the video image is upright (not sideways or upside down) and plays smoothly.

  - ▶ edit within a piece.
  - ▶ submit pre-recorded live performances, such as recitals, concerts, or competitions.
